

BRISTOL PARENT CARERS

PARTICIPATION

Introduction

The Government requires service providers to involve parent carers and young people with SEND in the development of these Reforms locally.

In Bristol

Bristol Parent Carers is enabling parent carers to participate with Bristol City Council and Bristol NHS to develop these Reforms. These authorities are also involving their own service users in the discussions and developments.

If you want to understand more about participation, look around our [website](#).

If you want to get involved, [contact us](#).
